

HIPAA

With the deadline fast approaching, it's crucial your healthcare organization schedules the 2023 HIPAA Risk Assessment. As you know well, lacking proper compliance can lead to audits, penalties, and damage to your reputation.

There's a lot of work to do to pass your compliance before the end of the year!

WHY CHOOSE US?

At SecureTrust Cyber, our certified team goes beyond checking boxes to deliver in-depth evaluations and targeted recommendations. For example, we may uncover gaps in your breach response plan and provide step-by-step guidance to strengthen it.

- 01 **Comprehensive review of infrastructure, policies, and procedures**
- 02 **Identification of specific vulnerabilities putting you at risk**
- 03 **Actionable recommendations to address issues**
- 04 **Ongoing support for efficient implementation**

Reply to this email or go to <https://securetrust.io/contact> to schedule your *free* consultation today.

Ensured compliance well before the December 31st deadline

Starting at*
\$4,999.00

- 

Request

The SecureTrust analyst sends a document request to the client. The client responds with relevant documentation(Policies, Business partner agreements etc.).
- 

Review

The analyst reviews the documents and follows up with any clarifying questions.
- 

Questionnaire

SecureTrust sends the client a set of 30 questions covering 6 risk categories:
Social Engineering - Physical Security - Technical/Deliberate - Technical/Inadvertent - Technical/Failure - Disaster
- 

Assessment

SecureTrust conducts an initial risk assessment based on the client's responses.
- 

Recommendations

SecureTrust develops control recommendations to mitigate identified risks.
- 

Report

SecureTrust delivers a report of findings and risk reduction recommendations.
- 

Plan

The client develops a plan to implement recommendations to reduce risks.

This process ensures compliance with the HIPAA Security Management Process requirement under 45 CFR § 164.308(a)(1)(ii)(A).

Let's discuss your needs and get your 2023 HIPAA Risk Assessment scheduled now.
